Request to **Skip-A-Loan Payment**

I/we authorize the Credit Union to extend my/our Loan payment(s) as requested below. I/we understand that the loan is not eligible for payment extension if it is in default. I/we further understand this adjustment will increase the time it takes to repay my/our loan(s). In addition, I/we understand that interest continues to accrue against the unpaid balance. If the loan is paid with payroll deduction, I/we understand the skipped payment(s) will be deposited into my/our share account. All other terms of my/our loan agreement will remain unchanged.
